

BOXERCRAFT

your life. your spirit.

January 3, 2025

Dear Valued Customer

Boxercraft Inc. is committed to providing on-trend lounge and athleisure lifestyle products that meet the highest quality, safety, and regulatory standards. As a member of the Fair Labor Association, Boxercraft Inc. has adopted the FLA code of conduct, outlining the practices and requirements for our complete vendor network, including subcontractors which promote fair, safe, and humane working conditions within their operations.

Boxercraft Inc. maintains a strict process in the selection of manufacturers and vendors. We only work with vendors that have a significant amount of experience in the apparel industry. Our vendors must show a track record of compliance with labor laws, product safety, and environmental standards. We visit the manufacturing facilities periodically to ensure their operation and production processes are in accordance with our standards. Our inspections include raw materials, equipment operations, and quality control.

Since 1985, Boxercraft Inc. has been committed to providing safe, ethically sourced, and socially compliant wearables that meet federal and state requirements. The purpose of this letter is to ensure compliance required under the following statutes, regulations, and standards:

- US Consumer Product Safety Improvement Act of 2008 (CPSIA)
- US Dodd-Frank Act Section 1502 concerning the exploitation and trade of conflict minerals
- US Uyghur Forced Labor Prevention Act
- Xinjiang China Statement
- Canada Consumer Product Safety Act
- California's Safe Drinking Water & Toxic Enforcement Act of 1986, commonly known as Proposition 65 or Prop 65
- Maine Toxic Chemicals in Children's Product Law
- Oregon Toxic-Free Kids Act
- Vermont Chemical of High Concern in Children's Products Rule
- Washington Children's Safe Products Act

In addition, this letter includes statements relating to the following chemicals that may be regulated outside of the statutes listed above:

- Formaldehyde
- Per- and Polyfluoroalkyl Substances (PFAS)
- Flame Retardants and Brominated Flame Retardant

US Consumer Product Safety Improvement Act of 2008 (CPSIA)

A key provision of the CPSIA requires all manufacturers and importers to certify that the consumer products they manufacture, or import meet any applicable safety standards and rules. The garments produced for Boxercraft Inc. are compliant with all applicable CPSIA and CPSC rules, bans, standards, and regulations. Boxercraft Inc. has a reasonable testing program in place to ensure compliance, and each garment contains a sewn in tracking label with manufacture date and purchase order number.
