CPSIA Compliance Statement 2025

AST Sportswear Inc., manufacturer of Bayside Apparel, is dedicated to being compliant with all industry and federal requirements. As the largest vertical apparel manufacturer in the USA we take pride in ensuring all of our customers receive the highest quality, socially responsible, and eco-friendly Apparel and accessories. The Consumer Product Safety Improvement Act (CPSIA) is a landmark consumer product safety law that was passed in August 2008.

This letter hereby certifies that all of our products are compliant with all CPSIA rules, bans, standards and regulations, and more specifically that:

1. We have a reasonable testing program to ensure compliance with all applicable CPSIA rules, bans, standards and regulations for children's products, including testing by certified third party laboratories.
2. For each child's product, we have identified the applicable rules, bans, standards and regulations for which testing is required, and the information may be obtained by emailing us at info@astsportswear.com

AST Sportswear Inc., will have a General Certificate of Conformity (GCC) available on our website and can issue one upon request. It is important to note that not all items are required to have a CPC or a GCC. If a product does not fall under that requirement a GCC will not be issued.

If you have any questions please feel free to reach out to us and we will gladly help with any assistance you may need.

Sincerely,

AST Sportswear Inc.
