

CPSIA Compliance Statement 2024

Mad Engine Global, LLC is committed to ensuring compliance with the Consumer Product Safety Improvement Act (CPSIA) of 2008 and its amendments. Our products are designed and manufactured with safety as a top priority, meeting all applicable industry and federal requirements. As one of the largest wholesalers of licensed apparel and accessory products in the USA, we pride ourselves in ensuring our customers receive the highest quality, socially responsible, and eco-driven products.

Each product undergoes rigorous testing by third-party accredited laboratories to ensure compliance with CPSIA standards before being offered for sale. We maintain detailed records of testing and certification for our products as required by law.

Additionally, Mad Engine conducts regular reviews of our manufacturing processes and supply chain to ensure ongoing compliance with CPSIA regulations. We are dedicated to providing safe products for consumers and strive to exceed regulatory standards wherever possible.

For questions regarding CPSIA compliance or to request specific documents, please contact us at InternalQC@madengine.com.
