California Prop 65 Declaration

Dear Customers,

This declaration is to inform purchasers of our “TriDri” items produced by Premier Clothing Limited for sale in the United States, that they do not contain chemicals which are listed on California’s Safe Drinking Water & Toxic Enforcement Act of 1986. As such, our products do not require a “CA Prop 65” warning label.

This Act, commonly known as Proposition 65 (Prop 65), establishes a list of chemicals which the state of California’s risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm.

The Proposition 65 chemical list can be found at:

http://www.oehha.ca.gov/prop65/prop65_list/files/P65single01032014.pdf

Please assured, we will continue to monitor the Proposition 65 regulations for any new chemicals. Premier Clothing Ltd will compare any newly listed chemicals with the raw materials in our finished product and communicate this information to our customers.

Yours faithfully,
